

Manage your health care and benefits online

Log in to your secure member account to easily access your health plan information, find resources, and get the support you need, anytime you need it.

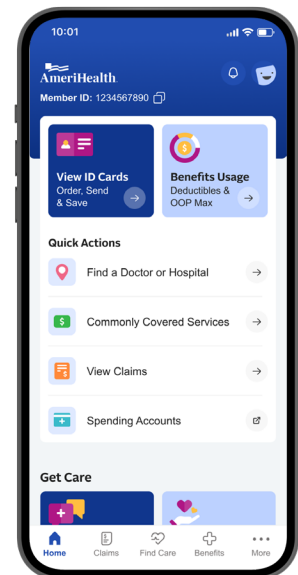

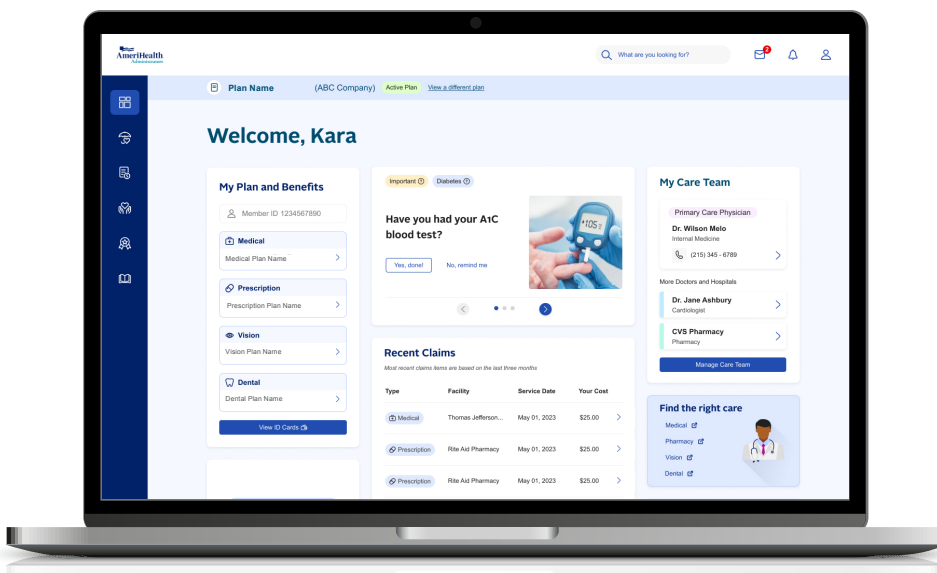

Your health journey is unique. That's why we have redesigned our AmeriHealth Administrators member website — so it's centered around **you**.

Manage your benefits

Your Dashboard is personalized to you, making it easier to find information about your health plan.

- View coverage and benefits for everything covered under your health plan
- Check your out-of-pocket costs, deductible amounts, and usage
- Access and organize your claims
- View, print, share, or order ID cards
- Estimate your out-of-pocket costs for care based on your health plan
- Request or manage home delivery of a prescription*

Manage your health

We want to make it easier for you to stay in good health.

- Access Health Journeys for a quick view of everything related to your care, including your personal health record, condition-specific information, and resources available to you
- Set, track, and reach your wellness goals in a way that's easy and fun
- Create a custom directory of your frequently used providers
- Get health-related reminders and alerts
- Search for in-network doctors and hospitals
- Contact a Registered Nurse Health Coach
